Highly skilled and ambitious architect looking for a collaborative opportunity where I can showcase and hone further my creative design skills. I'm also a dedicated individual with excellent written, verbal and interpersonal skills that looks forward to put its mark in the world of architecture.

## Professional Experience

### Intern Architect

Mahibere Kidusan | October 2019 - February 2020

Designer and Draftsman

## Education

### Degree in Architecture

Dilla University at Dilla | September 2017 - March 2022

Studied for 5 years in Dilla University to complete my degree program in Architecture. During my time, I have worked on several projects such as community centers, orthodox churches and residences as well.

### High

### School

Addis Ketema at Addis Ababa | September 2015 - May 2017

After moving in to Addis Ababa, I sought to finish my preparatory school at Addis Ketema School after which I joined a higher level school.

### Primary

### School

Alibo Primary School at Wollega | September 2005 - May 2015
